

Urban Farming Workshop

There's a movement happening called Urban Farming. Learn how to start growing food in your neighbourhood for the local markets. Add momentum to the changes necessary to ensure a sustainable and healthy environment. Learn the art of urban farming.

Presented by Ward Teulon, an urban farmer and owner/operator of City Farm Boy®

Topics Covered :

Farming in the City – Lifestyle and income expectations.

Urban Farming Planning

The Garden Owner and You - contracts, agreements, arrangements.

Site location – Finding the best spot to grow your crop in an urban setting.

Soil Prep – turfgrass reclamation methods, building beds, soil amendments

Crop Management – what to grow, timing, crop rotations, watering, fertilizing etc.

Organic Integrated Pest / Plant Management - techniques & equipment.

Harvesting – timing, equipment, methods, keeping things fresh, storage.

Marketing - Farmers Markets, CSAs, restaurants, wholesalers, pocket markets.

The Future of Urban Agriculture

Garden Tour - visit a selection of the gardens that are under production. Bicycle is the best transport.

The Art of Urban Farming

Space is limited, so book early!

This 1 day workshop is offered on the following 2010 dates :

Jan 16, March 6, May 1, July 17, Aug 28

Workshop begins at 804 East 21st Ave., in the back garden.

Please arrive around 9:45 AM for a 10 AM start.

Dress for outdoor conditions, as we will be touring thru several gardens. Pack a lunch, to be enjoyed in a garden along the way.

The last garden visited will be downtown near Yale Town, on a rooftop and will finish around 4 PM.

-----tear along line and mail with payment-----
